PROJECT DETAILS:-
1. **Responsive PortFoilo**:-
   Portfolio is a compilation of materials that exemplifies your beliefs, skills, qualifications, education, training, and experiences. It provides insight into your personality and work ethic. CV(curriculum vitae) is a written overview of a person's experience and other qualifications for a job opportunity.

2. **Chatbot**:-
   A chatbot is a service that people interact with via a chat interface.
   The growth of AI-driven chatbots suggests a future of a personalized fluid user experience.
   There is an opportunity for technical communicators to get involved with the designing andntraining of the chatbot. This will involve learning some new skills and applying skills already
   learned.
